

## JM5 ROSE QUEEN

Date of Birth: 02/14/2022 **Registration 1:** 290150

Breeder: McEntire Farms Owner: McEntire Farms

Our very 1st Colluder calf, Rose Queen. Born on Valentine's Day she stole our hearts immediately. This one is royalty and she holds herself that way in the pasture. Perfect tall stance, head always held high, countless spots hidden under all that white and the most perfect set of horns. Watch this Queen reign in the futurities.
